

Material Safety Data Sheet

Tire Seal-R

MSDS No. 019

Date of Preparation: 10-29-99

Revision: 12-01-05

Section 1 - Chemical Product and Company Identification

Product/Chemical Name: Tire Seal-R
Part Number(s): 1301, 1304, 1305, 1308, 1316, 1332, 1355 (Blend SEAL-R)
CAS Number: Not applicable to mixtures
General Use: Automotive product
Manufacturer: Berryman Products, Inc., 3800 E. Randol Mill Rd., Arlington, TX 76011-5434
Phone: 1-800-433-1704, Emergency phone number: 1-800-535-5053.

☆☆☆☆☆ Emergency Overview ☆☆☆☆☆

Section 2 - Composition / Information on Ingredients

THIS PRODUCT CONTAINS NO HAZARDOUS INGREDIENTS SUBJECT TO THE REPORTING REQUIREMENTS OF OSHA 29 CFR PART 1910.

Section 3 - Physical and Chemical Properties

Physical State: Liquid	Boiling Point: 110-370 °F
Appearance and Odor: Thick, Cream, Glycol	Refractive Index: N/A
Vapor Pressure: Not determined	% Volatile: 50
Vapor Density (Air=1): Heavier than air	Evaporation Rate: Slower than ether
Density: 8.63 lbs/gal	
Specific Gravity (H₂O=1, at 4 °C): 1.036	

Section 4 - Fire-Fighting Measures

Flash Point: Not determined
Flash Point Method: Not determined
LEL: Not determined
Flammability Classification: N/A
Extinguishing Media: Carbon dioxide, foam, dry chemicals, and water spray.
Unusual Fire or Explosion Hazards: None.
Fire-Fighting Instructions: Do not release runoff from fire control methods to sewers or waterways. Use water spray to cool fire-exposed containers.

Section 5 - Stability and Reactivity

Stability: Tire Seal-R is stable at room temperature in closed containers under normal storage and handling conditions.
Polymerization: Hazardous polymerization cannot occur.
Chemical Incompatibilities & Conditions to Avoid: None.
Hazardous Decomposition Products: Thermal oxidative decomposition of Tire Seal-R can produce carbon monoxide, carbon dioxide, irritating aldehydes and ketones.

Section 6 - Health Hazard Information

Potential Health Effects

Primary Entry Routes: Skin, dermal, inhalation and ingestion.
Target Organs: Eyes, skin.
Acute Effects: May cause minimal irritation to the eyes and skin. Harmful if swallowed.
Carcinogenicity: IARC, NTP, and OSHA do not list Tire Seal-R as a carcinogen.
Chronic Effects: None known.

Emergency and First Aid Procedures

Inhalation: Remove to fresh air. If not breathing, give artificial respiration. Get medical attention immediately.
Eye Contact: Flush eyes with plenty of water. Get medical attention, IMMEDIATELY.
Skin Contact: Wash skin with soap and plenty of water. Remove contaminated clothing. Get medical attention if symptoms occur. Wash clothing before reuse.

Ingestion: Get medical attention. Do not induce vomiting.

After first aid, get appropriate in-plant, paramedic, or community medical support.

Section 7 - Spill, Leak, and Disposal Procedures

Spill /Leak Procedures: Eliminate all sources of ignition. Stop spill at source. Wear appropriate personal protective equipment (Sec. 8). Contain the spill to facilitate cleanup with absorbent. Use non-sparking tools and equipment. Transfer to disposal containers.

Containment: For large spills, dike far ahead of liquid spill for later disposal. Do not release into sewers or waterways.

Disposal: Contact your supplier or a licensed contractor for detailed recommendations. Follow applicable Federal, state and local regulations.

Regulatory Requirements: Follow applicable OSHA regulations (29 CFR 1910.120).

Section 8 - Exposure Controls / Personal Protection

Ventilation: Provide general or local exhaust ventilation systems to maintain airborne concentrations below OSHA PELs (Sec. 2). Local exhaust ventilation is preferred because it prevents contaminant dispersion into the work area by controlling it at its source.

Respiratory Protection: Seek professional advice prior to respirator selection and use. Follow OSHA respirator regulations (29 CFR 1910.134) and, if necessary, wear a MSHA/NIOSH-approved respirator. Select respirator based on its suitability to provide adequate worker protection for given working conditions, level of airborne contamination, and presence of sufficient oxygen. For emergency or nonroutine operations (cleaning spills, reactor vessels, or storage tanks), wear an SCBA.

Warning! Air-purifying respirators do not protect workers in oxygen-deficient atmospheres. If respirators are used, OSHA requires a written respiratory protection program that includes at least: medical certification, training, fit-testing, periodic environmental monitoring, maintenance, inspection, cleaning, and convenient, sanitary storage areas.

Protective Clothing/Equipment: Wear chemically protective gloves, boots, aprons, and gauntlets to prevent prolonged or repeated skin contact. Wear protective eyeglasses or chemical safety goggles, per OSHA eye- and face-protection regulations (29 CFR 1910.133). Contact lenses are not eye protective devices. Appropriate eye protection must be worn instead of, or in conjunction with contact lenses.

Safety Stations: Make emergency eyewash stations, safety/quick-drench showers, and washing facilities available in work area.

Contaminated Equipment: Separate contaminated work clothes from street clothes. Launder before reuse. Remove this material from your shoes and clean personal protective equipment.

Comments: Never eat, drink, or smoke in work areas. Practice good personal hygiene after using this material, especially before eating, drinking, smoking, using the toilet, or applying cosmetics.

Section 9 - Special Precautions and Comments

Handling Precautions: Wash thoroughly after handling.

Storage Requirements: Keep container closed when not in use.

California Proposition 65: This product contains the following chemicals known to the state of California to cause cancer and/or reproductive toxicity: None.

DOT Transportation Data (49 CFR 172.101):

Part Number(s): 1301, 1304,
1305, 1308, 1316, 1332, 1355

Shipping Name: N/A

Hazard Class: Not Regulated

ID No.: N/A

Packing Group: N/A

SARA Title III Section 313 Supplier Notification:

This product contains the following toxic chemicals subject to the reporting requirements of Section 313 of the emergency Planning & Community Right-To-Know-Act of 1986 & of 40CFR 372: None.
